

## MEL 4404

### Turning the System On

- Press the **[POWER ON]** button on the remote once.
- Wait for the display to fully power on.

### Using the Kramer VIA

- If the Kramer VIA is not already selected, press the **[HDMI]** button on the remote until *HDMI2* is selected.
- To connect your device to the Kramer Via, connect to IllinoisNet and follow the on screen instructions.

**Note: Detailed instructions for connecting to Kramer VIA devices may be found at [go.engineering.illinois.edu/via](http://go.engineering.illinois.edu/via).**

### Using a Laptop

- Connect your laptop to the end of the HDMI cable that is not connect to the input panel.
- Press the **[HDMI]** button on the remote until *HDMI1* is selected.

**Note: Depending on your laptop model, you may need an adapter. Adapters for most common outputs are available in the room.**

### Turning the System Off

- Press the **[STANDBY]** button on the remote once.
